

SUB-MICRON PISTOL GRIP COMPUTERIZED BORE GAUGE WIRELESS

- High accuracy up to $\pm 3\mu\text{m}$
- For quick internal measurrings
- **INTELLIGENT** computerized indication system **MICS** with colour touchscreen display adapted to Industry 4.0
- Functions: Go/NoGo, Max/Min, Memory, Statistic, Timer, Formula, mm/inch, Preset, Calibration date, Lock, Mathematical & Temperature error compensation, Switch off, Brighness, Rotation, Rechargeable Li-Pol battery
- **Long range** Wireless data transfer to Windows, Android, iOS applications
- **FREE** version of software for Windows PC, Android, iOS tablets and smartphones
- Calibration certificate included (ISO17025 (Ilac MRA))

Free Software for Windows, Android, iOS

Long range
data transfer distance
