

WIDE RANGE DIGITAL MICROMETER

- Patent UA1162316, UA124020, WO2016124992 by MICROTECH
- Range up to 3000mm
- Completing with digital micron micrometer head, setting rods.
- Digital micrometer head 50mm for micrometers over 1000mm
- Functions: mm/inch, Switch off, Brightness.
- Calibration certificate included (ISO17025 (Ilac MRA))

Digital micrometer head
