11th Gen® Intel® Core™ i5

8th Gen® Intel® Core™ i5

Breathtaking Experience

Integrated Intel Iris graphics feature 80 execution units, run at up to 1.3GHz, allow 1080p/60 video, and support up to 8k resolution. Iris graphics features include enhanced AI, low power consumption, adaptive synchronization and other technologies to provide smoother graphics with richer color and detail.

Intel® Ultra HD Graphics

X33 Storage

Fast DDR4L RAM and solid state disk storage handle demanding multitasking with ease and lighting-quick response.

Windows 10

Support Home/IoT/
Pro/Enterprise

8GB RAM

Optional 16GB

256GB SSD

Optional 512GB

SSD Card slot

Replaceable

Easy to take, Hard to break.

Full magnesium alloy body, shockproof,
anti-radiation, anti-wear, anti-electromagnetic interference.

Impossibly thin, only 26mm.

26mm

Thickness

2.1kg

Weight

Impeccably craft from any side

Industrial-grade 13.3-inch capacitive multi-touch display protected by Corning Gorilla Glass.

Easy to use under all lighting conditions, even with gloves.

Capacitive touch

Privacy

camera

Light up your night

LED-backlit membrane keyboard allows for easy use in the dark.

Optimized keystroke and tactile feedback make for comfortable typing.

Backlit keyboard — One-key automatic wake-up

Resistant to wear and oil — Wear-resistant oleophobic coating

Fingerprint recognition — One-key boot login

Touch panel — Precision fingertip control

Go-Anywhere Productivity

Dual batteries with separate battery charge indicator lights
Supports PD fast charge from empty to full in just three hours

8-10 hours on a charge, extended standby

No more overheating

Advanced active/passive thermal cooling system employs heat sinks, copper heat tubing and a waterproof fan to quietly maintain optimal operating temperatures at all time.

3850RPM

Wind pressure

High speed Wi-Fi 6

Fast in every way

Multi-user, multiple-input, multiple-output and orthogonal frequency-division multiple access technology reduce latency, facilitate speed up to 2.4 gigabits and offer extensive connectivity support.

2×2 Wi-Fi 6

BT 5.1

4G

GPS

Full-featured USB Type-C

Integrated Thunderbolt 4 supports fast data transfer, upstream and downstream charging, audio, USB, dual video, as well as multiple peripherals.

Security from the inside

Onboard TPM 2.0 Trusted Platform Module chip provides tamper-proof hardware-based security functionality to protect data and guard against unauthorized system access.

TPM function only supports Windows 10 Pro OS.

Built Rugged

High-strength housing with full corner protection, extensive whole-system sealing, wide operating temperature, 4-feet drop resistance, and MIL-STD-810G certification make for confident use in harsh environments.

60°C

HT resistance

1.22m

Anti-drop

-20°C

Specification Parameter

Basic parameters

Dimension	332 x 233 x 26mm
Weight	2.1Kg
Device Color	black
LCD	13.3 inch FHD 16:9, 1920*1080
Touch Panel	Optional Multipoints Capacitive, G+G
Camera	Front 2.0MP
I/O	HDMI x 1, POGO 5pin x 1(Optional), Type C x 1, USB 3.0 x 3, SIM Card x 1, TF Card x 1, DB9 RS232 x 1, RJ45 x 1, DC jack x 1 Φ3.5mm standard earphone jack x 1
Power	AC100V ~ 240V, DC 19V/3.42A/65W
GPS	Optional GPS
Fingerprint	SPI fingerprint x 1 (Power on login)
Battery	
Capacity	11.1V/2800mAh x 2
Type	External polymer lithium ion battery
Battery life	10hrs (50% volume sounds, 200 use nits brightness, 720P HD video display by default)

Performance parameter

CPU	Intel® i5-1135G7
-----	------------------

OS	Windows 10
----	------------

RAM	8GB/16GB
-----	----------

Storage	256GB/512GB
---------	-------------

Network connections

WIFI	WiFi 6, 802.11a,b,d,e,g,h,i,k,n,r,u,v,w,ac,ax
------	---

Bluetooth	BT5.1
-----------	-------

4G (Optional)	LTE FDD: B1/B3/B7/B8/B20/B28A WCDMA: B1/B8 GSM: B3/B8 China, Europe, Middle East, Africa, Taiwan, Japan
------------------	---

Reliability

Drop Height	1.22m composite wood floors, in operation status
-------------	--

Operating Temperature	-20 °C ~ 60 °C
-----------------------	----------------

Storage Temperature	-30 °C ~ 70 °C
---------------------	----------------

Humidity	95% Non-Condensing
----------	--------------------

Sealing	IP65
---------	------
