

#### DESCRIPTION

- Ideal for: full Recycling of SF<sub>6</sub> gas contained in all equipment's size
- Designed to Dehumidify, Dedust and Eliminate the acid substances
- Full gas Recycle according to IEC standards both when the plan is operating and while is shut down
- Plug & Play filter substitution

## TECHNICAL SPECIFICATIONS

☼ DIMENSIONS: Length: 1200 mm - Width: 700 mm - Height: 1560 mm

♦ WEIGHT: 530 kg

☼ COLOURS: Yellow: matt RAL 1016 - Black: matt RAL 9005

### FUNCTIONS

5 functions to treat SF<sub>6</sub> from all equipment's size:

Ø 0: Stand-by

Ø 6: Intermittence: GIS 1 access valve (>600 l)

Ø 8: Recirculation: GIS 2 access valves (>600 l)

### SYNECOM INTEGRATED FILTER SPECIFICATIONS

- Certified according to the Pressure Equipment Directive (PED 2014/68/EC)
- Plug & Play: Thanks to coupling valves installed both at the inlet and at the outlet of the vessel, it's possible to replace the filter by disassembling it directly from the System, even during operation, without the need to remove the gas inside it.
- Dimensions: Height: 700 mm Diagonal 120 mm
- ♦ Weight: 20 kg
- Integrated filter (dehumidification filter + particulate filter)
- ☼ Inlet and outlet molecular seal valves
- ☆ Handles
- ☼ Color: yellow RAL 1016

#### STANDARD EQUIPMENTS

Integrated filters (dehumidification + particulate)

Volumetric compressor 4.5 Nm<sup>3</sup>/h - 9 Nm<sup>3</sup>/h oil free

Parameter display with time graph such as: Pressure -Compensated pressure - Temperature - Humidity ppm - Humidity dew point

Multiparameters trasmitter both in inlet and in outlet from the machine

1 inlet with coupling valve DN20

1 outlet with coupling valve DN20

2 Analog manometers for inlet and outlet

2 DN20 hoses with coupling valves on both ends L = 5 m

Vulcanized rubber wheels with swivel plate support and brake

# CERTIFICATES ISSUED

Plant Helium Leak Test Certificate (UNI EN ISO 9712 - SNT TC1A)

Safety valve INAIL Certificate

EC Declaration of conformity

## DOCUMENTATION PROVIDED

Operating manual

SF<sub>6</sub> gas safety Data Sheet
