

# MIX-H310D1

Mini-ITX with 8th/9th Generation Intel® Core™ LGA1151 Socket Processor, Max. 65W TDPs, 12V DC Power input

## Specifications

| System                   |                                                                                                                                |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Processor                | 8th/9th Gen. Intel® Core™ LGA 1151 socket Processor (formerly Coffee Lake-S), Max. 65W TDPs                                    |
| Chipset                  | Intel® H310 Express Chipset                                                                                                    |
| Memory                   | DDR4 2666 MHz SODIMM x 2, Up to 32GB, Non-ECC, Un-buffered Memory, Dual channel memory architecture                            |
| I/O Chipset              | NCT6793D                                                                                                                       |
| Ethernet                 | Realtek® PCIe Gb LAN RTL8111H                                                                                                  |
| Audio                    | Realtek® ALC897                                                                                                                |
| TPM                      | Firmware TPM                                                                                                                   |
| Expansion Slots          | PCIe3.0 [x4] x 1<br>M.2 E-key(22 x 30 mm) x 1 for Wireless-wifi module ( PCIe+USB)                                             |
| BIOS                     | 128Mbit Flash ROM, AMI BIOS                                                                                                    |
| H/W Monitor              | Temperature Monitor on CPU/Chassis, Voltage Monitor on Vcore/5V/12V, Fan Monitor on CPU/Chassis                                |
| WatchDog Timer           | 1~255 steps by software program                                                                                                |
| Smart Fan Control        | CPU Fan/ Chassis Fan                                                                                                           |
| Wake On LAN/ PXE         | Yes (WOL / PXE)                                                                                                                |
| Power State              | S3, S4, S5                                                                                                                     |
| Graphics                 |                                                                                                                                |
| Graphics Chipset         | Intel® UHD Graphics                                                                                                            |
| Graphics Multi Display   | HDMI1+HDMI2, HDMI1+DP2, DP1+HDMI2, HDMI1+LVDS, HDMI2+LVDS, HDMI1+eDP, HDMI2+eDP, DP1+DP2, DP1+LVDS, DP2+LVDS, DP1+eDP, DP2+eDP |
| VGA                      | —                                                                                                                              |
| DVI                      | —                                                                                                                              |
| HDMI                     | Up to 4096 x 2304@24Hz (HDMI 1.4b)                                                                                             |
| Display Port             | Up to 4096 x 2304@60Hz                                                                                                         |
| LVDS                     | Up to 1920 x 1200 @ 60 Hz, dual-channel 18/24 bit (via CH 7511)                                                                |
| eDP                      | UP to 4096 x 2304 @ 60Hz                                                                                                       |
| Backlight Control        | Voltage/PWM                                                                                                                    |
| Environment & Power & ME |                                                                                                                                |
| Battery                  | Lithium battery                                                                                                                |
| Power Requirement        | 12V DC                                                                                                                         |
| Operation Temperature    | 32°F ~140°F (0°C ~ 60°C)                                                                                                       |
| Storage Temperature      | -40°F ~185°F (-40°C ~85°C)                                                                                                     |
| Operation Humidity       | 0%~90%RH, non-condensing                                                                                                       |
| Certificate              | CE & FCC                                                                                                                       |
| Form Factor              | Mini-ITX: 6.7" x 6.7" (170 mm x 170 mm)                                                                                        |
| Weight                   | 1.1 lb (0.5 kg)                                                                                                                |
| MTBF (Hours)             | 246,210                                                                                                                        |

## Features

- 8th/9th Gen. Intel® Core™ LGA1151 Processor
- DDR4 SODIMM x 2, Up to 32 GB
- Two Independent Display: DP, HDMI, eDP, LVDS
- M.2 Slot (M-key, 2242) x 1, M.2 Slot (E-key) x 1
- PCIe [x4] x 1
- Low Profile
- 12V DC Power Input
- USB 3.2 Gen 1 x 4, USB 2.0 x 5

### Rear Panel I/O Ports

|             |                                                           |
|-------------|-----------------------------------------------------------|
| USB         | USB 3.2 Gen 1 (5 Gbps) x 4                                |
| Display I/O | HDMI x 2, DP x 1 + HDMI x 1 (Optional), DP x 2 (Optional) |
| Audio I/O   | Mic-in x 1, Line-out x 1                                  |
| LAN I/O     | LAN (RJ-45) port x 2                                      |
| Serial Port | —                                                         |
| PS/2 Port   | —                                                         |
| Others      | DC Jack                                                   |

### Internal I/O Connectors

|               |                                                                                       |
|---------------|---------------------------------------------------------------------------------------|
| Storage       | SATA3.0 (6.0Gb/s) x 2<br>M.2 M-key (SATA) (22 x 42mm) x 1                             |
| USB           | USB 2.0 (2 x 5-pin, 2.00mm) x 3 ports support additional 5 USB.                       |
| Display I/O   | —                                                                                     |
| Audio I/O     | AAFP x 1, Speaker header x 1                                                          |
| Serial Port   | Box header for COM (RS-232/422/485) x 1<br>Box header for COM (RS-232) x 1            |
| PS/2 Port     | —                                                                                     |
| Parallel Port | —                                                                                     |
| DIO           | Digital I/O box header x 1                                                            |
| FAN           | 4-pin CPU Fan connector x 1, 4-pin Chassis Fan connector x 1                          |
| Power         | —                                                                                     |
| Others        | Front Panel connector x 1, Chassis Intrusion x 1, Buzzer onboard x 1, CMOS jumper x 1 |

### OS

|            |                                              |
|------------|----------------------------------------------|
| OS Support | Windows® 10 64-bit<br>Linux Ubuntu 18.04 LTS |
|------------|----------------------------------------------|

## Packing List

- SATA Cable
- SATA Power Cable
- I/O Shield
- MIX-H310D1
