

Applications	Commercial Grade
Series	NB
Status	 Production
Brand	TDK

Size

Size Information [Please refer to the catalog](#)

Electrical Characteristics

Rated Input Voltage	48VAC \pm 10%
Mist Output (Nom.)	450ml/h
Ultrasonic Frequency	1600 to 1720kHz
Power Consumption (Nom.)	30W
Further Details	Please refer to the catalog

Other

Normal Water Level (Nom.)	40mm
Water Quality	Drinking water
Cooling Method	Water cooled
Parallel Connected Operation	Yes
Operating Water Temperature Range	0 to 50°C
Packing	Bulk (Polystyrene form)
Package Quantity	200pcs
Weight per pc	60g
