

HD700 Pro External Hard Drive

Built Tough, Ready Anywhere

HD700 Pro External Hard Drive

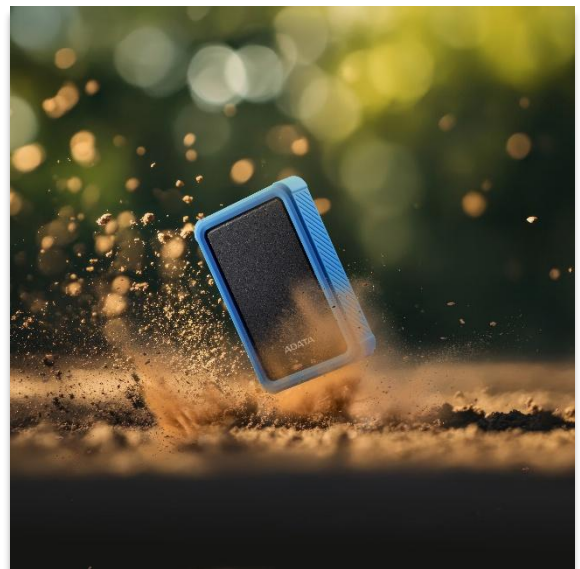

The HD700 Pro external hard drive is a lightweight yet rugged storage solution, engineered to withstand drops from up to 1.22 meters and rated with IP54 water and dust resistance. Offering up to 2TB of capacity, it is the perfect mobile data hub for outdoor adventures and on-the-go professionals, delivering reliable backup support anytime, anywhere.

Splash It Off, Dust It Out

With IP54 defense, sudden spills and dust are no match. The HD700 Pro keeps your memories safe, anytime, anywhere.

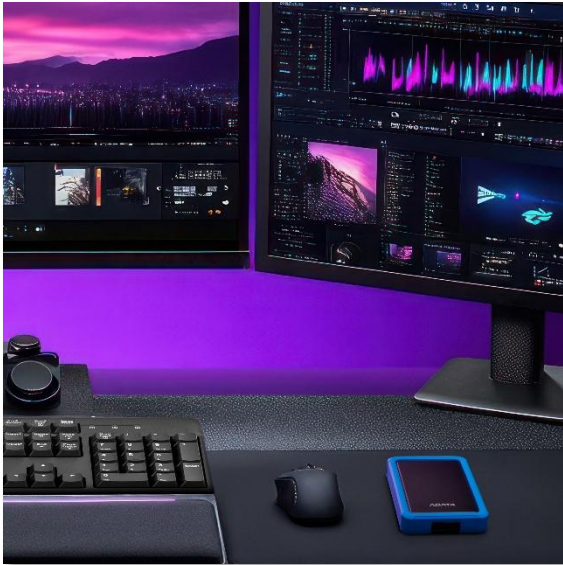

Armor for Your Data

Survives 1.22m drops with military-grade toughness (MIL-STD-810G 516.6). Silicone shock protection keeps your files safe from every hit.

Space That Moves with You

Up to 2TB with USB 3.2 Gen 1—room for AI projects, renders, and edits. Your ultimate portable vault on the go.

Use it with Your Game Console

The HD700 Pro can be connected to game consoles and be used as backup storage for games that are not currently being played.
