

X3AE886-AN

MXM Series

Features

- 5+ years Longevity support.
- Based on MXM 3.0, delivers uncompromised flexibility and upgradeability.
- Driven amazing 3D graphics and parallel computation performance.
- Up to 6 displays with AMD Eyefinity multi-display technology.
- Compact solutions for digital signage and video wall systems support
- AMD APP technology, OpenCL 1.2 , DirectCompute , DirectX® 11.1 , OpenGL® 4.2 , Shader 5.0, UVD4 for H.264, VC-1, MPEG-2, MPEG-4 part 2 decode.

Specification

Part Number	X3AE886-AN
GPU	AMD Radeon E8860
Bus Type	MXM 3.1 / up to PCI Express 3.0
Memory	2GB 128bit / GDDR5
Graphics Engine/Memory Clock	625 MHz / 4.5 Gbps
Number Independent Displays (max)	LCD-eDP 1.2 : up to 3840x2160 LCD-LVDS : up to 1920x1200 VGA Analog : up to 2048x1536 DisplayPort (Multimode): 3840x2160 HDMI: support
Thermal Design Power	37 W
Board Dimensions	MXM Graphics Module Version 3.0, Type A (70 x 82mm)
Thermal	none (customization)
Number of output Channel	6
Operation System	Windows® 7 Windows® 7 Embedded Windows® 8 Windows® 8 Embedded Linux
